A NOTE FROM RON...

Congratulations to our new Deacons! They are Loretta Boyd, Renee Clinkscales, Dean Greer (ordained from another church), Diane McMains Liles, Nancy Ream and Carlos Salinas. Each one of these are excellent leaders already do so much to make this church a great fellowship and witness to our community. Our Deacons and Elders each have their own things they do and pray for each one of you and care for our facilities and our people. Pray for our Deacons and Elders as they minister diligently in the Kingdom of God here at The Fellowship of San Antonio. We are grateful for these dedicated and supportive leaders in our church.

Susanna Watson and friends have done a great job in working through this first year of Upward Basketball. Later in March Upward Basketball will come to a close for this season with a big celebration. They have done very well. They have also set a pattern for next year and the years to follow with this exciting program for our young children. Thank you to Susanna and all the volunteers for making this so successful.

Easter is next month with the most important celebrations on the Christian calendar. The Fellowship knows how to celebrate the Resurrection. We will have our annual Lord's Supper Service, The Cup and The Cross, Thursday, April 13, on the plaza at 7:30 p.m. Hopefully, it will be a clear evening with a beautiful sunset which adds to this meaningful service. Easter Sunday, April 16, we will have two worship services with the first at 9:00 a.m. followed by a 10:45 a.m. service. We will not have Bible Fellowship class Easter Sunday. I always look forward to Easter time.

Thank you to each of you for your faithfulness to the Lord and the church in all you do and give. I know the Lord blesses you wonderfully.

THANK YOU FROM FOSA!

Our parking lots are scattered throughout our campus with some spaces uphill, some downhill and others quite a distance from our main building. Several years ago we formed the Golf Cart Drivers Ministry Team. This group of members is here each Sunday, regardless of the weather, available to provide transportation from your vehicles to classes or worship. Several golf carts were donated for this purpose and we are grateful for them!

We have also been blessed with the donation of batteries for our golf carts. Golf cart batteries are quite expensive and our carts actually don't run well without batteries! We need new batteries for each cart annually. We have been the recipient of donated batteries each year from John Ainsworth with Advance Battery Company at 14011 Toepperwein Road, 78233-4081. We wanted you to know about this gift and how much we appreciate it. Our golf carts enable us to provide assistance to members and guests attending Bible Fellowship classes, worship, programs and events at The Fellowship of San Antonio. If you have an opportunity to thank John or visit his shop, please let him know how grateful we are for this donation! Ron
