ENJOY OUR HIKING TRAILS!

Spring is here with all the glory and color of the season. What a great time to take advantage of our path to the cross and hiking trail! The walk to the cross is an easy, short stroll with benches along the way and around the cross for conversation, Bible studies, meetings or quiet time.

Our hiking trail is about a mile long around the property beginning and ending at the cross. It is marked with signs and is definitely a hiking trail—about a 20-25 minute hike. The trail is beautiful through a canopies of trees, a scenic rock garden, river bed and grassy area—perfect for Bible study, picnics, quiet time or to view the countryside.

It's a great time for enjoying this beautiful campus so take advantage of all there is to appreciate right here at FOSA!

A Note from Ron....

Mother's Day Celebration is always special. We will honor all our moms in worship and, especially, our oldest mothers. The oldest moms are always special to us for we know they have great influence in this world. I cannot imagine anyone else with such powerful influence. Their gentle, caring and loving touch during a child's life is most important. A mom helps to nurture and

give great formative training to her children. With Christ's help and even the teaching of Christ comes a foundational understanding of being a good and gracious mom. Thank you to all the moms (We all have or had one and I pray your mother was as wonderful as mine.) who gave us life and training in all the goodness of life. We celebrate each one of you this Mother's Day.

Mother's Day also brings PARENT/CHILD DEDICATION SUNDAY. Parents, if you have a child you would like dedicated before the church and before the Lord, let us know for this special and meaningful day. We have some things to present and want to make sure your child is included. What a blessing this service, within the service, is to each family.

Memorial Day weekend is always special as well as we honor those who have died giving their lives for our freedom. This year it will be a moving experience as we have discovered letters from a young American soldier written to his family just before World War II ended. We will read these special letters and remember his sacrifice and legacy of freedom.

Vacation Bible School is June 10-13 presenting "Babylon: Daniel's Courage in Captivity". Jennifer and company do an amazing job of Bible teaching, fellowship, music and many other special treatments. The Lord is glorified and the children have a great time. Come and be part of this great annual event.

This year we will continue with our special summer events with a pastor. Thursday, June 7, at 9:30 a.m., come and meet me and others at the San Antonio Botanical Garden. We will walk the gardens and enjoy the beauty. If you have not been there in some time, you will be amazed. They are finishing a 40-million-dollar redo! We will also have lunch together, if you like, at the Sullivan Carriage House on the property. The cost for the gardens is children 3+ \$3.00 and adults \$12.00. There are some discounts if you want to check the website. This will be a fun morning. "Southern Living" named the San Antonio Botanical Garden as one of *The South's Best Botanical Gardens*. Let's enjoy our city and our fellowship with each other.

Let us also take our time in celebrating the Lord's grace in our lives. We have Christ Jesus and we have each other. I am grateful for each of you and your dedication to Christ, His church and one another. Thank you for your volunteering in everything; this is what the church is about. Thank you for your missions, both within the church and your personal missions. Thank you for your financial gifts for this is how we, together, change the world around us. Blessings.

OUR BUDGET DOESN'T GET A VACATION!

As the summer months approach with many of us on vacation or just enjoying the many attractions around the area, please remember to continue to support FOSA with your Tithes & Offerings. Our budget is on a 12-month cycle and all the expenses and payroll must still be paid each month. We thank you for your dedicated support throughout the year. Enjoy the time off this summer visiting friends and relatives or just enjoying a new experience. Be safe, enjoy your summer and thank you for your commitment to FOSA.

AFTERNOON BOOK STUDY

Tuesday, May 8, 1:30 p.m., FOSA Parlor
The Road to Jericho by Billie Houston

In 1934, Nora Cassidy's sharecropper husband takes his own life. She is left destitute with an eight-year-old daughter to support. When her Uncle Alonzo invites them to live with him and his wife Myrtle, she jumps at the chance.

Nora sets out on a 500-mile journey to the Texas Panhandle in a 1928 open-cab Ford pickup. Trouble follows her. When she and Dede stop in an isolated spot to have lunch, she loses her pickup key. Cliff Windom is running for his life from a man who will shoot him on sight. He crosses paths with Nora and offers to help start her pickup if she will let him travel with her and Dede. They begin a journey that will change their lives forever.

Billie is selling the book if you wish to purchase it at \$10.00 each with proceeds donated to the Battered Women & Children's Shelter.

YOUNG ADULT MINISTRY

Our Young Adult Class has begun a rotational schedule with a chance to chill out a bit and regroup each month! We swap life stories, laugh (a lot), fellowship and enjoy the community that comes with experiencing life... together! We plan an outing or dinner in conjunction with Parents Night Out each month. We will announce specific plans based on everyone's availability a few weeks before each PNO. When you see Parents Night Out listed in the bulletin (first Friday each month), plan on an event for our class! We will alert you of activities via class on Sundays and email.

For childcare reservations at Parents Night Out, please access the FOSA website at www.thefellowshipofsa.org.

PRAYER GARDEN BRICK PATH

Our 15th Anniversary project is "That's My Brick". A permanent memorialized brick will become part of the Prayer Garden with our new brick pathway which will be laid this spring. Pick up a flyer in the Fellowship Hall and fill it out if you would like a name to be forever engraved on a brick on this pathway. Bricks are \$25.00 each. This is a great way to honor yourself, your family, a friend and even a loved one who has gone before us with a name on this special brick pathway. Please return a form with payment to our church office or a Columbarium team member or place it in an olive jar. You may contact Dorothy Kitchen (210) 410-9499 or Lynn Carr (210) 385-5393 for more information.
